1.

Q (shareholder)	I would like to know the reason for the transition to a company with an Audit and Supervisory Committee.
A (chairperson)	The company with an Audit and Supervisory Committee is designed to give the supervisory function to the audit committee, which is composed of Directors. We have decided to transition to the "company with an Audit and Supervisory Committee" because the majority of Outside Directors will strengthen the supervisory function of the Board of Directors, thereby enabling prompt decision-making.
