# EFFORTS TOWARDS ACCELARATING THE TOTAL TRANSACTION VALUE 

|  | Contents | Current Efforts | Going Forward |
| :---: | :---: | :---: | :---: |
| Demand Side | Enriching the coordinate reviews | Starting from March, the ZOZOTOWN staff have been taking coordinate pics, offering detailed comments, and did AB tests along with user interviews in order to measure effects. | Rapidly increase the amount of coordinate pics as well as comments based on the $A B$ tests and user interview results. |
|  | Improving CVR | Changing the purchase flow, improving the usability for guest buyers, shopping cart, strengthening product recommends, and reviewed the UI for main pages. | Continue the minor improvements in order to raise usability. |
|  | Upgraded our strategy to CFM2.0 | We have replaced the current system to a newer one that is based on the diversified life styles as well as usage scenes. by creating an on communication optimized system. | Aiming to provide a communication platform based on each user's "customer journey". |
|  | Major update of the ZOZOTOWN App | Taking the evolutions of devices into account, UU's from smartphones are now over $70 \%$, we did a major update on the ZOZO App. (October,2015) | - |
|  | Active promotions | Giving out additional points during a limited period of time (June, 2015~), <br> Joint point campaigns with the brands (May, 2015~), <br> TV commercials to announce the renewal of the ZOZO App (October, 2015) | Considering to continue the efficient point campaigns. Basing on the effectiveness, we will review our TV commercial strategy going forward. |
|  | Accelerating the number of shop openings | 170 new shops opening up to October, 2015. | Continuously opening shops that meet the diversifying needs of our users. |
|  | Offering fee-based membership services |  | From November, 2015, we will start "ZOZO Premium/ZOZO Platinum" which are fee-based membership services. Same day shipping services will start in the Chukyo area, adding to the Tokyo and Osaka areas. (Covering 65\% of our geographics) |
|  | Strengthening alliance | - | Begin API linkage with curation media services. |
| Supply Side | Having efficient lead time for fulfillment operations | - | By improving operations for receiving inventory as well as photo shootings, we aim to increase the process volume. |
|  | Optimizing inventory | Engaging in building logics to optimize the amount of inventory as well as reduce the amount of opportunity loss based on the demand forecast engine. | By creating a method based on the logic, we plan to search for advantages on the brand side as well. |
